8.0	<p>Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.</p>

8.1	<p>Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing. ATTACHED</p>
8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan. ATTACHED</p>
8.3	<p>Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.</p>
9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p><i>The City of Manhattan receives a Community Development Block Grant and allocates a portion of these funds for the rehabilitation of owner and non-owner occupied housing, as long as the unit is occupied by a low-income person. The Manhattan Housing Authority has collaborated with the City in identifying needs in the Community and applied for funds to upgrade playground equipment at the MHA public housing properties. Manhattan is a very unique and diverse community, serving a somewhat transient population due to being home to Kansas State University and in very close proximity to the Ft. Riley military base. With these two (2) entities increasing the demand for housing in our area, rental costs are extremely high. With 20+ units off-line and the remaining units soon to be taken off-line for a major rehab project at the Apartment Towers (public housing highrise), the one (1) bedroom waiting list is growing with little chance of applicants receiving housing in a timely manner. Our two, three and four bedroom waiting lists, however, have recently begun to decrease. Currently, there are 96 applicants on the public housing waiting list, 53 of which are waiting for a one-bedroom unit. There are currently 130 applicants on the Section 8 Housing Choice Voucher (tenant-based) waiting list, with applications dating back to 2011.</i></p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p><i>The Manhattan Housing Authority continues to support Low Income Housing Tax Credit (LIHTC) developments coming into the community, and provides Section 8 referrals to LIHTC developments as well as private landlords who wish to be included on the landlord list. The Manhattan Housing Authority does not have funds at this time to develop additional affordable housing, although consideration will be given to future endeavors to increase affordable housing through the use of Capital Funds, Low Income Housing Tax Credits, and other resources that may become available. The Replacement Housing Factor (RHF) funds that have accumulated (\$445,900) are proposed to be used in conjunction with the major rehab of the Apartment Towers highrise building since the grant amount awarded (\$5,410,572) is less than the funds needed to complete the entire project, rather than the replacement of housing. A waiver request was submitted to the Office of Capital Improvements in this regard on 5/30/2014.</i></p>
10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.</p> <p><i>The Manhattan Housing Authority has experienced a high volume of vacancies over the past several years, likely due to the transient nature of much of our city's population as a result of being a University city and our close proximity to Ft. Riley. However, measures taken to ensure marketability of units include leveraging of private funds to improve the quality of some of the oldest public housing units.</i></p> <p><i>The Manhattan Housing Authority continues to review and revise, as necessary, policies and procedures to remain in compliance with federal, state and local directives, and to increase efficiency and effectiveness in the delivery of services.</i></p> <p><i>Staff are actively involved in the National Association of Housing and Redevelopment Officials (NAHRO) at the National, Regional and State levels, and have obtained much training and knowledge using NAHRO resources. One Staff became licensed to provide Commissioners Fundamentals training, and is working toward having all Board Members certified. Two (2) staff have received their PHM certifications, and several staff have maintained their HQS certifications with one (1) new staff member becoming HQS certified. Staff regularly attend webinars as time and funds allow.</i></p> <p><i>A salary study was conducted in 2011, which revealed that thirteen (13) of fifteen (15) positions were in need of a salary adjustment in order to remain competitive in our area. As a result, a new Salary Administration Plan was approved by the Board of Commissioners, and salary adjustments were made for the affected individuals.</i></p> <p><i>One (1) new Resident Association was formed in 2012 at Pottawatomie Court. Unfortunately, the leaders of the Pottawatomie Court Resident Association have moved or become otherwise disinterested in the organization, and it is not active at this time. Other public housing sites have shown little or no interest in reviving their once thriving Resident Associations; it is believed this is due to the change in clientele that occupy the units.</i></p> <p><i>The Manhattan Housing Authority works closely with service organizations in the community that assist low-income persons and families including the disabled and the elderly. These collaborations have contributed to the ability of those who would be otherwise homeless to reside in their units, and those disabled/elderly clients who would otherwise be unable to remain in their homes independently to do so.</i></p> <p><i>The Manhattan Housing Authority also works in partnership with the Manhattan Area Housing Partnership, the local Community Housing Development Organization (CHDO) for the management of 78 Low Income Housing Tax Credit (LIHTC) units and 30 mixed finance (LIHTC/Public Housing) units.</i></p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"</p> <p><i>The Manhattan Housing Authority definition of a substantial deviation would be anything having a major impact on the services we provide or the solvency of this agency.</i></p>
